 Jean-Marie KLAT

Dear Mr. Julian True,

Thank you for your 21 november fax. We have well noted that Jean-Marie KLAT will be back in Paris on 20 december 1996.

We have also noted your excellent appreciation of his job on your Siu Ho Wan Project and we are proud of your satisfaction.

Be sure that we are ready in the future, if you need, to send to Hong Kong engineers and technicians to be integrated in your own design or site staff.

Very best regards,

Ph. BOULOT

Dear Mr. Boulot,

Cessation of Consultancy Services  
 Jean-Marie Klat

Please be advised that Ryoden intend to terminate the Secondment Agreement for consultancy services with effect on 19 December 1996, Jean Marie's final day in Hong Kong. I understand Jean-Marie will arrive back in Paris on 20 December 1996.

Would you kindly confirm to me your agreement to this arrangement.

During his stay, Jean-Marie has made an excellent contribution towards putting the Siu Ho Wan Project 'back on the right track' and I am indeed very grateful to you (SGTE) and Spic for arranging Jean-Marie's temporary assignment in Hong Kong at very short notice.

Very Best Regards  
 For and on behalf of  
 Ryoden Engineering Co Ltd

Julian True  
 Senior Manager
